31	<p>A Salute to the Boys ~ Author Unknown Here's to the membership, Here's to the boys, Creators of havoc And makers of noise. They scream and they holler, And batter our ears. They run and they tumble And they drive us to tears. But still, in the end, They grow and they learn. They show off the skills And the badges they earn. We guide them and teach them, Because, in the end, They're what it's all for-- We do it for them.</p> <p style="text-align: right;">(modified to fit the space)</p>
